Printable dog care record and sitter handoff

A paper worksheet for the owner and sitter to complete by hand. Created for this website; it is not an export from Kwispel.

Dog, dates and agreed contacts

Dog’s name

Care period: from / to

Owner: name and phone

Agreed backup contact: name and phone

Instructions supplied by the owner

Food: usual meals and instructions

Walks: equipment and agreed routine

Other instructions already agreed

Handoff: items supplied / returned

Daily care actually completed

Date and time	Meal, walk or other task completed	Factual note / initials

Record what happened and the instructions the owner supplied. This worksheet provides no diagnosis or treatment. Update the handoff when the agreed instructions change.
